

Booster Club Membership Fee Reduction Guidelines

-Families participating in the Booster Club Membership program must complete 10 total hours of service to receive the \$100.00 fee reduction.

-All volunteer hours must be verified by the event chair at the time of completion - SIGN THE EVENT VERIFICATION FORM UPON ARRIVAL AND DEPARTURE.

-Volunteer hours may be completed one at a time, or many at a time.

-Hours will be credited in half-hour increments.

-Only 10 hours will be required per family - multiple students from the same household do not require additional volunteer hours.

-Prior to the September 14 deadline, all required hours must be signed up for.

-Some volunteer positions will require district-mandated background checks - this will be obviously labeled when you sign-up for events.

-All volunteer hours must be completed by the student's parent, legal guardian, or acceptable designee (at least 18 years old and a high school graduate).
