PO Box 5256 Newark, Ohio 43058-5256

Dear Patrons,

I am writing to encourage your support of the Newark Band Program by having your business featured in the winter season athletic and band invitational programs. The program has been a primary fundraiser for the Newark Band Program for over 50 years and is professionally printed right here in Newark. With rising costs of operation, the Newark Band needs your patronage to maintain the excellent organization we have in place for our students. The band represented our community at the state level for the 38th year in a row and received a "Superior" rating.

Your name and/or ad will be seen by thousands of spectators who attend the Newark High School home basketball games. You also have the opportunity to advertise and sponsor trophies for the Newark Band Invitational. This one-day OMEA event held at White Field will host 19 marching bands from the surrounding communities and all over the state. The recent improvements and turf field have made Newark a popular stop on the OMEA competition circuit.

As an additional option, we have "Friends of the Wildcats" pages where you can be listed in the basketball program as an honorable mention for your support. The order forms are three per page, please pass them out to friends as you see fit.

Placing an ad, or sponsoring trophies is as simple as filling out the attached form and mailing it with artwork and payment by **October 5th** to:
